

Integration Programmes

Integration takes place first and foremost at school and at work. For persons who do not (yet) have access to school or work, there are various integration programmes.

Specific Programmes

Numerous programmes for foreigners aid them in making contacts and becoming a part of Swiss society. These programmes include discussion groups, leisure time activities, talks, or classes. The Centre for Integration in Aargau (Anlaufstelle Integration Aargau, AIA) or the community of residence will provide information regarding the various offers. Many communities hold an event that welcomes new residents - a good way of gaining a first overview.

Even small communities have athletic, cultural, and other clubs which are an excellent way of meeting people. Most clubs are open for everyone.
